

Timpte Parts Center: Keeping Your Trailers On The Road

At Timpte we understand the importance of keeping your trailers on the road and your business running smoothly. That's why we established the Timpte Parts Center with one goal in mind: providing reliable parts and excellent service to our valued customers.

New Home for the Timpte Parts Center

The Timpte Parts Center is moving to its new home within the state-of-the-art Lincoln Manufacturing Center, a move that will significantly enhance both efficiency and customer experience. This modern facility is designed to streamline operations, enabling us to process and ship all orders within 48 hours, getting critical components to our customers faster than ever before.

With expanded inventory capacity and cutting-edge logistics systems, the new Timpte Parts Center will offer improved accuracy in order fulfillment and even quicker delivery times. This upgrade means fewer delays, better service, and the reliable support you've come to expect from Timpte.

Knowledgeable Staff

Our commitment doesn't stop at providing parts. Our knowledgeable staff is always ready to assist you with any questions or concerns, ensuring you have the support you need every step of the way.

ALL AFTERMARKET PARTS ORDERS MUST BE PROCESSED THROUGH A CERTIFIED TIMPTE DEALER
